PROFILE SUMMARY

Motivated quick learner, currently enrolled university student and seeking opportunity to apply skills in database management, spreadsheet and other computer applications to meet challenging work assignments and support management team. I am good at team work and collaboration, plus comprehending instructions. Excellent at communicating, writing and editing. Keen attention to detail and focused on meeting schedules and deadlines.

WORK EXPERIENCE

Mentor, African Students' Education Fund - ASEF Nyarugenge, Kigali | April 2024 - Current

- Provided counseling on stress management and academic concerns.
- Collaborated with parents to support student success plans.
- Guided students through career exploration and decision-making processes.
- Advised students on which courses to select, how to schedule classes and effective career planning.
- Monitored student academic performance and provided feedback for improvement.

Volunteer & Facilitator, FUN LAB At ALU Bumbogo, Kigali | November 2024 - November 2024

- I was given a opportunity to volunteer in an activity we engage in as all student at ALU, known as FUN LAB, and this helped me to gain skills on how to arrange events and make sure they are well organized and arranged for the beneficiaries to enjoy and learn from it as it is a part of our courses at African Leadership University.
- At the same time, I facilitated a Culture and Heritage Masterclass, where I gained experience to share with others what I have skills on, and bringing different people from different nations together, to share our cultures and enjoy the sweetness of Africa's Heritage.

Knitter, Silk General Supply Masaka, Kigali | September 2023 - October 2024

- Dismantled machines for deep cleaning or repair, reassembling them correctly post-maintenance.
- Replaced worn machine parts like needles and plates to minimize downtime.
- Controlled machinery operation and settings to produce exact quantities with good quality
- Examined equipment regularly to detect and correct mechanical defects and other malfunctions.
